Completely relaxed and feeling truly at home.

A woman with long brown hair, wearing a white patterned sweater, is sipping from a dark coffee cup. Two men are seated at a dark table in front of her. The man in the middle, with a beard and wearing a light grey shirt, is smiling and looking at the woman. The man on the right, with curly brown hair and wearing a blue shirt, is also smiling and looking towards the woman. On the table, there is a black coffee machine, a small white bowl with brown powder, and a plate with two chocolate brownies. The background shows a modern cafe interior with warm lighting and a staircase.
